You've worked hard to make your house a home

In fact, your home probably represents a large share of your financial wealth. To protect your investment, you want dependable insurance protection at the best value. Allied's homeowners insurance is the answer.

Coverage options

Allied offers flexible, affordable options that allow you to design the coverage that best meets your unique needs. For example, you may select individualized protection for your home and property against many common causes of loss such as:

- Fire or lightning
- Windstorm and hail
- Smoke damage
- Vandalism and malicious mischief
- Glass breakage
- Theft
- Falling objects
- Weight of ice, snow, or sleet
- Water damage from rupture or overflow of a household appliance, plumbing, heating, or cooling system

- Freezing (water pipes, etc.)
- Damage from electrical currents
- Damage caused by vehicles or aircraft

Ask your Allied agent to evaluate your home insurance needs and recommend a plan that's right for you!

Liability protection

An important part of your Allied homeowners policy is liability protection. If someone makes a claim of injury or property damage against you or your family, everything you own could be in jeopardy. Your Allied homeowners policy protects you in situations such as:

- Claims for injury to others on or off the premises
- Claims for property damage to others
- Liability defense costs
- Medical expenses for injuries to others

A custom fit

You may need extra protection for special needs beyond the coverage in your Allied homeowners policy. For example, you can increase your policy's standard coverage limits for the following:

- Credit card and depositor's forgery
- Personal property
- Fine art
- Jewelry, watches, furs
- Money and securities
- Fine silver
- Guns

You can also choose from these optional coverages and extend your protection:

- Dwelling replacement cost for your home
- Full replacement for your personal property
- Earthquake
- Additional protection for high-value items such as jewelry, fine silver, sporting goods, antiques, and collections.
